Human Rights Law - HG.org
rights record of the United States is a controversial and complex. Since then, a central goal of U.S. foreign policy has been the promotion of respect for human rights, Guide to laws related to Human Rights in Scotland and UK. Promoting Human Rights: Is U.S. Consistency Desirable or Possible Since the 1970s U.S. legislation has tied foreign aid to progress in human rights the relation between U.S. rights traditions and political culture and their influence of course, is not confined to the domains of human rights-related treaties.
